PROFILE

I am a highly motivated and results-oriented individual with a background in admin, IT and coaching. My pro is that I thrive in fast-paced and challenging environments. I am always eager to learn new skills and dedicated to whichever task I'm assigned to. I bring forth a motivated attitude and a variety of skills. I am eager to contribute my skills and experience to drive success for the next opportunity in my career. Motivated and tech-savvy individual with a strong passion for information technology and problem-solving. Eager to develop expertise in web development, UX design and IT support. Strong analytical skills, attention to detail, and a continuous learning mindset. Seeking an opportunity to apply knowledge and gain hands-on experience in a dynamic IT environment.
